Jacob K. Javits  
110 East Fofty-Fifth Street  
New York, NY 10017

Dear Ms. Collins:

Thank you for your letter of December 20 to President Lederberg. He has asked me to provide you with details of the upcoming session of The Rockefeller University Council on January 16th, which I understand Mrs. Javits is now planning to attend. We look forward to the possibility that Senator Javits may also be able to join us.

Enclosed is an agenda describing the day's events, as well as some information on the meeting location; Mrs. Javits should come directly to the third floor of the Tower Building when she arrives on campus. Also included is a World Health Organization booklet we have been distributing to the Council members as background material for the parasitology-focused program, which Mrs. Javits may find of interest.

Please do not hesitate to contact me at 360-1465 if further information is needed.

Sincerely,

Mary H. Dean  
Executive Secretary  
The Rockefeller University  
Council
